IP FUNMIG* Final Workshop

24th – 27th November 2008

Karlsruhe, Germany

* (FP6, Integrated Project Fundamental Processes of Radionuclide Migration)

SECOND ANNOUNCEMENT

General information

The 4th and final Annual Workshop of the Integrated Project FUNMIG is held in Karlsruhe, Germany, 24th to 27th November 2008. The workshop is hosted by the Research Center Karlsruhe, FZK. The Final Workshop follows, the previous Annual Workshops, the 1st held in Saclay (2005), the 2nd in Stockholm (2006) and the 3rd in Edinburgh (2007).

The workshop will take place in the conference facility "AkademieHotel" in Karlsruhe (www.akademiehotel-karlsruhe.de)

Information about the Integrated Project FUNMIG: www.funmig.com

Objectives

Bring together an interested community for summing up and draw final conclusions from the Integrated Project FUNMIG. The outcome of four project years is presented and discussed. A key aspect is the application of the project achievements to the disposal Safety Case for host rock types under investigation in Europe. The outcome of the workshop will be documented in the form of proceedings.
